We advise:

go to the wellness centre a few minutes earlier; it is possible to cancel and/or change an appointment up to two hours in advance without penalty. For later cancellations full payment is required. Should you be late for your treatment, this will be carried out until the end of the set appointment so as not to penalise the following customer and full payment shall be required anyway.

***Contraindications:** If you suffer from high blood pressure, heart problems, allergies, if you have previously undergone surgery or if you are pregnant, please notify our staff at the time of your booking. You should also inform our staff about any medication you are under. It is always advisable to consult your doctor prior to your arrival.*
